

WELCOME to the 2018 Colorado State and 4 Corners Championships! Wednesday July 25th thru Sunday July 29th Pagosa Springs Town Park

Pagosa Springs is located at 7200 feet in the San Juan range of the Rocky Mountains. We are about 60 miles east of Durango on US Highway 160 and about 50 miles north of Chama New Mexico on US Highway 84. Because we are above 7000 feet it is extremely important for you stay hydrated and rested while you are here. It may take a day or so for you to acclimate to our altitude if you are not used to it.

Pagosa Springs is home to the deepest natural mineral hot springs in the world. The San Juan River runs through town. Our events will be in Town Park adjacent to the San Juan River in the heart of downtown Pagosa Springs. Town Park is located at the intersection of US 160 and Hot Springs Blvd. The park is on the SE corner of the intersection. Find Goodman's Department Store at 402 Pagosa Street (US 160) and you will find the park.

Shooter's popups, tables and chairs will be allowed in the park. We will have a 20' X 40' shooter's tent with tables and chairs for those who cannot bring their own. We will provide water for shooters and their guests in the shooter's area at no charge. A monetary donation will be welcome.

We will not take a lunch break during the matches. Food and beverages will be welcome in the shooter's area. We are working on a couple of food vendors. Absolutely NO live ammo or firearms unrelated to the contests will be allowed in the shooter's area.

No alcohol or illegal or illicit drugs including marijuana will be allowed in the shooter's area. Anyone who appears under the influence or otherwise impaired will not be allowed in the shooter's area or be allowed to compete.

The end of July and beginning of August is our "monsoon" season. Expect a shower or two on any given day, usually in the afternoons. They usually don't last long and are normally not heavy. Please bring your rain gear just in case.
