

Cowboys & Angels

7th Annual

On The Trail...Happy Trails, that is. Well, it's time for another Sawtooth Showdown and everyone is invited.

This is a team match so grab a partner and let's get the fun started. Here's how it works...

Each team will include one man and one lady. Both members of the team will shoot each main round, lady against lady and men against men.

In each round, the winning lady and man will both receive one point. The losing lady and man will receive zero points. At the end of the round, one team could have two points, if both the man and lady won their round. One team could have no points or the teams could have one point each.

This will be a Come to Shoot format for 7 rounds. If we have by rounds, a coin toss will determine whether the ladies or men will shoot it. At the end of the 7th round, ALL teams will be seeded in a single elimination championship shoot-off. Allowing every team the opportunity to shoot their way to first place!

The points earned throughout the match will determine the seeding. If there is a tie, a coin toss will determine if we will check the 7th round for the ladies or for the men to find the fastest time.

In the championship shoot-off, only one member of the team will shoot. A coin toss will determine whether the ladies or the men shoot the round. The team member who does not shoot should not go anywhere because if their partner wins the round, a coin toss will again determine whether the men or ladies shoot with the next seeded team. The last standing team earns the championship title and the Happy Trails Children's Foundation buckles. Also, trophies/plaques go to 1st – 5th place teams.

We will hold a silent auction with the proceeds to benefit Happy Trails Children's Foundation so if you have items to donate, please contact us in advance or just bring them with you.

- Date: April 20, 2019 Pre-registration not required
- Where: Mountain Air Barn
- Cost: \$50.00 per Team
- Time: Sign up is open from 9 a.m. – 9:45 a.m.
