**Notes:**

**Men** will receive 1 point for every shooter they place above in the overall results, plus 1. So if there are 200 men, 1st place gets 200 points, last place 1 point.

**Ladies** will receive points proportional to the men. If there are 200 men and 50 ladies, (200 divided by 50 = 4, therefore each lady would receive 4 points for every women she beat, plus 4 points. 1st place Lady would get 200 points the same as the men, last place Lady would still get 4 points.
