We recommend either the Holiday Inn Express or the Sleep Inn. The Sleep Inn is newly remodeled and is owned by the same franchise as the Holiday Inn Express. Tell them you are with Cowboy Fast Draw. Several of our shooters stayed at the Country Inn and Suites last year, but it seems that they have two major events booked and rooms are extremely limited for the weekend of Louisiana State. Alexandria and Pineville has plenty of motels, and we're shooting at a new venue on Main Street in Pineville, so we're a lot closer to the downtown area.

Event Information

We are excited this year, because we're shooting in an indoor venue. For the very first time, the City of Pineville has partnered with us to present the Louisiana State Championship and we will be shooting at the Main Street Community Center, 708 Main Street, Pineville, LA. Shooters will not need to bring tables or chairs, nor popup shade covers because we have a big roof. Concessions will be available. We have looked at this venue, with an eye for the event, and it may be a little tight, but we won't have to worry about wind, or rain, or cold or heat. You can bring a chair if you would like, but it is not necessary.

All matches will be shot on the small targets at 15 feet.

The banquet on Saturday night will be held down the street at Southern Creations, 208 Main Street, Pineville, LA. Great southern cuisine served with Louisiana flair near the banks of the Red River.

The Cross Branded Peacemakers are working hard to make this the best Louisiana State Championship ever. If you have questions or concerns, contact Major D at 318-451-3043
