

CFDA Membership Drive

The Rules are simple: For every new member recruited by an existing CFDA member a ticket will be placed in the drawing. There is no limit to how many tickets a CFDA member may earn by recruiting new members. Plus, For every 5 new members recruited by any one CFDA member they will receive a \$50 credit at the CFDA Mercantile which can be applied to any products or services such as merchandise, membership fees, ect.. In order to receive credit for recruiting a member your name must appear on the application in the "referred by" section or written on the application. We will set up the website to also reflect referrals in the very near future.

CFDA employees, officers or their families are prohibited from qualifying for the prize drawing.

This Membership Drive begins on 6-26-09 and goes until the Annual CFDA Banquet in Fallon, NV 10-3-09, where the drawing will be held for the following prizes. (Need not be present to win, unless a member qualified in the drawing chooses an alternate to pick for them, then CFDA staff will pick their prize for them.

The prizes will be placed on a table and whoever's ticket is drawn first will have up to one minute to pick whatever is on the table, choices are final and then the next ticket will be drawn, and so on. One pick of the table per member, the more tickets you have in the drawing the greater your chance is to win a prize and even one of the top prizes! This year we have 10 great prizes together worth almost \$5,000!!!
