

LOUISIANA STATE CHAMIONSHIP

2018 Hotel Information

HOTELS:

This sheet will not be hotel information like you are used to seeing. When we got hotel information together for LA State 2017, we went around and got special rates for CFDA shooters, but shortly after posting the information, people started telling us that they had gotten better rates by using one of the online hotel booking sites. It seems that we must bow to the inevitability of the digital age, and make the best deals we can make.

Having said all of that, Google for hotels in Pineville, LA near the Highway 167/167 junction. There is a Holiday Inn Express there (2820 Monroe Hwy, Pineville, LA 71360 Phone: 318-704-6700) that is the newest hotel in that area. Across the street is a Comfort Inns and Suites (2727 Monroe Hwy, Pineville, LA 71360 **Phone:** (318) 641-8332). There is also a Days Inn and a Sleep Inn 318-640-8505- at that intersection.

CAMPING/ RV INFORMATION

There are two RV grounds close to the shooting venue. Less than a mile to the west is Country Living (6448 Highway 28 E, Pineville, LA 71360 **Phone:** (318) 201-6397) and three miles west is Austin Ag Supply (11154 Highway 28 East Pineville, LA 71360 US Phone: [318-466-9538](tel:318-466-9538)) When you call Austin Ag Supply, they are the major feed/seed dealer in the area, but they do have RV spots.

Weather permitting (if the ground is not too soft) there may be a few RV spaces at the church, but no hook-ups are available.
