Notes:

The qualifying match for Brackets will be a 3 round “Fist Full of Dollars” match. Each shooter should have 3, one dollar bills to begin the match. When a shooter is paired against an opponent, the shooter will place one dollar on the ammo table. At the end of five shots, the winner claims both dollar bills. If, at the end of five shots, the score is tied (0-0, 1-1, or 2-2), the scoring table claims both dollar bills. These will be donated to Shoot For The Stars. This is a “NO-X” match and is only a qualifier for the brackets.

The venue is a community center in downtown Pineville, LA. We used it last year with great success. We will be running two, four-lane ranges. The venue is small, but very comfortable. Coffee and water will be provided.
