Correction Notice September 15th, 2022

Dear Members and Fans of the Cowboy Fast Draw Association,

In recent issues of our new magazine format of Cowboy Fast Draw Association's - Gunslinger's Gazette, i.e. Page 29. of our Summer Issue, a Full Page Advertisement ran that was outdated and not approved by F.LLI Pietta & Early, Modern Firearms Company, Inc (EMF), or their representatives. This ad contained some models of single action revolvers and pricing that are not correct or current.

We hereby apologize for this oversight and take full responsibility for this error. F.LLI Pietta has been long-time supporter and sponsor of Cowboy Fast Draw, and EMF is a great company to purchase many types of firearms from.

We hope that this has not caused any confusion and we look forward to the next advertisement from F.LLI Pietta in our Fall Issue and on our website.

Respectfully,

Cal Eilrich a.k.a. Quick Cal
Executive Director of CFDA
